

Hiring the HBS Main Hall

The magnificent 100-year old Grade 11* Listed Hall at The Henrietta Barnett School is available for private hire to individuals and charities. The Hall was extensively refurbished to its original splendid design in 2002 under the guidance of English Heritage. In summer 2005, the bar area, kitchen and toilets were refurbished and the magnificent pale wooden floor in the Hall has now been fully restored to something like its original glory. There is a large stage, a grand piano and professional lighting and sound systems have recently been installed. There is seating for up to 230 people theatre style or 120 people at tables. With ample parking in the area, the Hall is suitable for many types of events and celebrations. It has recently been the venue for wedding parties, fund raising events, conferences, exhibitions and concerts. Use of the Hall is subject to availability and having respect for the local residents. We regret we are unable to accept bookings for children's parties. For further information contact afdavies@hbschool.org.uk
